CANCEL SAVE

Important: Complete New Field Step before connecting to FieldView

New Field Step: Add a field to a trial or trials

Select Add to Trial for a new or existing Field, pop up will display with trials available to the grower.

Add Field To Trial

Trial

- 2022 Trial
- 2022 Demo
- 2022 Commercial

A field can be added to multiple trials.

To transfer data, Field must be assigned to Trial

Once field is assigned to a trial, feel free to connect FieldView

Optional: Disconnect Fields

Select Disconnect Field from FieldView field dropdown to remove individual field connections.

Field Name	FieldView Field	Active Trial	Add To Trial
FV Field 1	FieldView Field Disconnect Field	2022 Commercial	ADD TO TRIAL
FV Field 2	Field 1	none	ADD TO TRIAL
FV Field 3	Field 2	none	ADD TO TRIAL
	Field 3		
	Field 4		
	Field 5		
	Field 6		
	Field 7		
	Field 8		
	Field 9		
	Field 10		
	Field 11		
	Field 12		

ADD NEW FIELD

Rows per page: 25 1-3 of 3

Note: All data files that have been uploaded will remain on field

Quick Tips:

- Fields can only be mapped 1 to 1
- Daily file sync
- Field must be assigned to trial for data to display in portal
- Currently not pulling in Boundary File
- Can disconnect all or single fields on FieldView page
- Logout of Fieldview-This will disconnect any fields that are connect, All data files that have been uploaded will remain on field. New files will no longer be recieve.

For additional help with Intergrations please visit the Resources tab on FarmerTrials.com
